## Registration Form

### *Gravity and Magnetic Techniques for Hydrocarbon Exploration*

This free training course is designed for geoscientists who would like to be able to extract useful insights from gravity and magnetic data without the prerequisite specialist knowledge or software. No prior experience in gravity and magnetic data interpretation is required, but it is assumed that you will have a general understanding of hydrocarbon exploration practices.

I would like to register for Getech's *Gravity and Magnetic Techniques for Hydrocarbon Exploration* workshop in Houston, Texas, USA, 08:00–13:00, Tuesday, September 01, 2015.

Location: The Westin Houston Memorial City Hotel, 945 North Gessner Road, Houston, TX 77024, USA.

Title:  Name:
